

Dear Stockholm Art Fair Artists and Patrons,

Currently, our Stockholm Art Fair is proceeding as scheduled on Saturday, July 18, 2020.

The health and well-being of artists and patrons is of the utmost importance. We understand that the situation with Coronavirus, or COVID-19, continues to evolve and it is our hope that our outdoor art fair will not need to be postponed. Our Stockholm Art Fair Committee has been monitoring the situation as presented by the Wisconsin Department of Health Services and information with our partner, Arts Wisconsin. Our sanitation efforts will have new protocols regardless, with increased wash stations and other guidelines from organizations mentioned above plus our local constituents. Staying healthy is always paramount!

SAF2020 Applications for Artists Exhibitors extended to April 15, 2020

To better accommodate our artists during this emerging virus situation, our application deadline has been extended to April 15. As we continue to watch and prepare for jurying the Stockholm Art Fair, please note the following schedule for selection:

- Application Deadline is now April 15. **Note that the \$25 jury fee is waived for last year's confirmed artists.**
- Jury Date is April 18.
- Acceptance Letters and Booth Assignments will be issued by May 1. If you decide not to participate, your booth fee check can be destroyed. No penalty towards selection for future art fairs.
- Cancellation Date is July 1. As in previous years, our policy allows a full refund with notification by July 1st. We plan to offer the same policy for SAF2020.

Our cancellation policy could very well be extended beyond this date as the virus situation unfolds in the next few months. Our goal is to be both pro-artist and pro-art fair, so SAF2020 is making budget adjustments accordingly during this status flux.

Should the Stockholm Art Fair application process change, we will update that information on our website, on our Facebook page and through email communications with our artists.

During times like this, we aim to act in concert with one another and support each other locally, statewide and nationally. Please be safe, protect yourself and those you interact with and be healthy. Most importantly, thank you for your continued support of Stockholm Art Fair.

If you have any other questions or concerns, please don't hesitate to reach out through our email at stockholmartfair@gmail.com.

Peace and good health to all. We thank you for your patience and understanding.
